✦ A Reading Adventure ✦

A calm decoding app that helps children restore confidence and fall in love with reading.

AGES 7+

## Who Are We?

NuKids: A Reading Adventure is a structured literacy app for children aged 7+, especially those with dyslexia or reading difficulties.

We use proven reading principles to teach decoding in a calm, supportive space — without pressure or negative feedback.

Our mission is simple: to help every child feel capable, understood, and proud of their progress.

No timers. No scores. Just steady progress.

## Try the App

Download NuKids on Google Play

## What Activities Are Inside?

Simple, focused activities designed to build decoding skills and confidence.

1

### Target Sentences

Read and decode sentences built with the target pattern.

2

### Word Search

Find and highlight words that match the target pattern.

3

### Word Maze

Follow the path by choosing the correct words.

Built with heart, guided by science, designed for every child.
